Center**

The 11th Annual Banff Mountain Film Festival World Tour, hosted by the Breckenridge Outdoor Education Center and benefitting BOEC's adaptive sport and recreation programs, will once again make a stop in Breckenridge, CO., showcasing films from around the world over two nights on February 27th and

28th, 2020. Held at the Riverwalk Center, the festival has annually sold out with over 750 attendees and we expect this year to be no different.

For 44 years, the BOEC has been providing life changing outdoor recreation experiences through the Adaptive Ski and Ride Program and Wilderness Program serving those with physical, developmental and cognitive disabilities, youth-at-risk, disabled veterans and those with other special needs.

All proceeds from the Banff Mountain Film Festival World Tour two-night event will support the work done by the BOEC providing life changing outdoor recreation opportunities for people of all abilities.

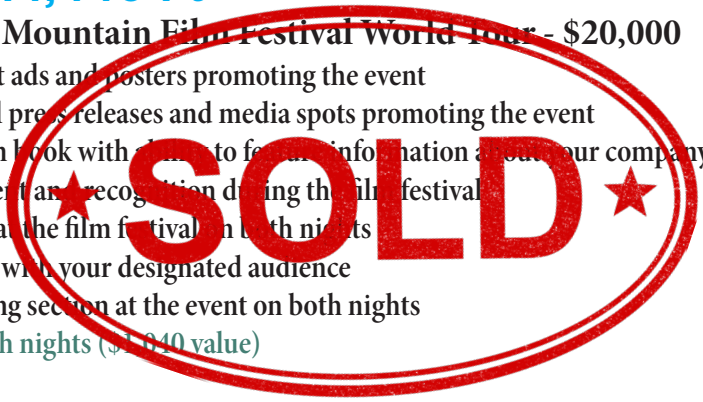

We invite you to join us as a sponsor of the 11th Annual Banff Mountain Film Festival!
