Live Banff Centre Mountain Film Festival World Tour Moves to Drive-In Setting

Two unique lineups of films to be featured over two nights

[Breckenridge, Colo., May 24, 2021] – The Banff Centre Mountain Film Festival and Breckenridge Outdoor Education Center (BOEC) bring you a collection of the most inspiring action, environmental, and adventure films for two nights, June 25th and 26th at a drive-in setting at Colorado Mountain College in Breckenridge.

These two brand new lineups of films (one each night) are being offered in addition to the four unique lineups that are part of Banff's virtual program, and serve as a reminder that life in the outdoors fuels our health and hopes, and why the work of the BOEC is so important to the people we serve. A maximum of 100 tickets (one per car) will be sold for \$30 each night, with all proceeds from this two-night event benefitting the BOEC. Tickets go on sale at 9am on Friday, May 28th at breckcreate.org.

Banff Centre Mountain Film and Book Festival is one of the largest and most prestigious mountain festivals in the world! Hot on the heels of the Festival that is held every fall in beautiful Banff, Alberta, the Banff Centre Mountain Film Festival World Tour hits the road. With stops planned in about 550 communities and more than 40 countries across the globe, the Banff World Tour celebrates amazing achievements in outdoor storytelling and filmmaking worldwide!

From the over 400 entries submitted into the Festival each year, award-winners and audience favorites are among the films that are carefully selected to play in theatres around the world.

Traveling to remote vistas, analyzing topical environmental issues, and bringing audiences up-close and personal with adrenaline-packed action sports the 2020/2021 World Tour is an exhilarating and provocative exploration of the mountain world.

BOEC extends a special thank you to Breckenridge Grand Vacations (BGV), BGV Gives, First Bank, Blue River Sports, and the Town of Breckenridge for graciously sponsoring this event.

About BOEC

BOEC is a non-profit 501(c)3 human service organization whose mission is to expand the potential of people with disabilities and special needs through meaningful, educational and inspirational outdoor experiences. BOEC offers state-of-the-art programming and features a highly trained professional staff. The major programs include the Adaptive Ski and Ride Program, Wilderness Program and Internship Program that serve nearly 3,000 participants each year for over 10,000 programming days. Participants come from all over the world and include adults and children with physical, cognitive, and sensory disabilities, injured veterans, youth at risk and many other interested parties.

About the Banff Centre Mountain Film Festival World Tour

Banff Centre Mountain Film Festival World Tour was born from Banff Centre Mountain Film and Book Festival which began in Banff, Alberta. In 1976 a tight-knit group of climbers and outdoor enthusiasts conceived The Banff Festival of Mountaineering Films. This was a one-day gathering that became the renowned international Festival it is today. Over 30 years ago, Banff Centre Mountain Film Festival began an outreach program to bring the Festival to other communities. This has become known as Banff Centre Mountain Film Festival World Tour. Like the first festival in Banff, the tour began small – three cities across Canada. Banff Centre Mountain Film Festival World Tour now reaches over 40 countries and brings mountain films to an audience of over 550,000 worldwide in approximately 550 locations.
