HEROIC FAMILIES RUBY/HORSETHIEF RIVER TRIP 2026

The Heroic Military Program is designed for those who have been injured in the line of duty, and are navigating life with a disability. We recognize that healing extends beyond the individual, which is why our programming offers opportunities to connect and rebuild alongside fellow veterans, as well as alongside family members, both who are a vital part of the recovery process.

Registration is currently open and applications will be accepted up until two weeks prior to course start. Applicants will be screened for appropriateness by BOEC upon receipt of a completed application.

To submit an application, visit our website, www.boec.org/programs on the Veteran's Programs page.
