

OUTDOOR ADVENTURES WITHIN

Join BOEC for a supported winter retreat designed for adults with Parkinson's Disease.

Enjoy three days of adaptive skiing and snowboarding at Breckenridge Ski Resort, plus optional evening activities, including yoga, all tailored to your abilities.

Based at the Scott Griffith Lodge, your retreat includes lodging, meals, equipment, lift tickets, instruction, and 24/7 staff support. Evenings are spent connecting with fellow participants in a welcoming, social setting.
